Net Proceeds. “Net Proceeds” shall be defined as the Total Proceeds reduced by all deductions and exclusions for Federal income tax purposes from its patronage sourced business done with or for its Patrons (computed before the reduction for patronage dividends paid by the Cooperative and taking into account Section 8 of this Article).

Section 7. Cooperatives’ Net Proceeds. “Cooperatives’ Net Proceeds” shall be defined as the remaining balance of the Net Proceeds after the following deductions: (i) such an amount (which amount may be a specified amount or determined under such formula as specified by the Board of Directors), if any, as the Board of Directors may determine (within the first two months of a fiscal year) to provide a reasonable reserve for losses or other necessary purposes and such an amount shall be transferred to the capital reserve; (ii) in the event of a loss in one or more departments or divisions of the Cooperative which does not contribute to an overall loss to the Cooperative for the fiscal year, such loss shall be prorated against each of the remaining profitable departments or divisions on the basis of their respective percentage of the total annual net savings for that fiscal year; or (iii) in the event that the Cooperative incurs a net loss in any fiscal year, said net loss shall be charged first against any reserve capital and if said net loss exceeds the amount of the reserve capital, the Board of Directors may elect to recover the loss from prior or subsequent years’ total annual net savings or carry such net loss back or forward.

Section 8. Cooperatives’ Losses. The Board of Directors shall have complete discretion and authority to determine the handling and ultimate disposition of the Cooperative's patronage sourced losses, as well as the form, priority and manner in which such losses or portions thereof shall be taken into account, retained and ultimately disposed of or recovered. Without limiting the generality of the foregoing, the Board of Directors may determine to cause any such patronage losses to be retained by the Cooperative and subsequently disposed of (in whole or in part): (i)

By offset against Net Proceeds of the Cooperative in one or more subsequent years; (ii) By application to the patronage allocations of the Cooperative for one or more prior years through offset and cancellation against Patrons' equity credits; (iii) By write-down of the outstanding reserves of the Cooperative; or (iv) By any other method of disposition (or combination of methods) as the Board of Directors, in its sole discretion, shall determine from time to time to be in the Cooperative's best interest. The Board of Directors shall not have the authority to make an assessment against members, however, it shall have the authority to apply losses to Patrons' equity credits. This Section shall not be construed or administered so as to deprive the Cooperative of the right to carry back or carry forward net operating losses to past or future years in accordance with the law.

Section 9. Patrons' Net Proceeds. "Patrons' Net Proceeds" shall be defined as the remaining balance of the Cooperatives' Net Proceeds.

Section 10. Apportionment. The Patrons' Net Proceeds shall be apportioned among the Participating Patrons on the basis of each Participating Patron's respective Patronage Transaction with the Cooperative, whether such apportionment may be based upon the volume or value of the business done with or for such Participating Patrons. The Patrons' Net Proceeds may be apportioned between the Participating Patrons, as determined by the Board of Directors, on the basis of each Participating Patron's respective Patronage Transaction with various pools, such as the Cooperative's departments or divisions, and from the various kinds, qualities, grades, quantities, and values of agricultural products, supplies, services or equipment of the Cooperative.

Section 11. Patronage Dividend Allocation. Each Participating Patron's allocation of the Patrons' Net Proceeds shall be distributed on a patronage basis in the form of cash or in the form of equity credits evidenced by a written notice of allocation. The books and records of the Cooperative shall reflect the amount credited to each Participating Patron and notice shall be given to each Participating Patron of the amount so credited to such Participating Patron's account of record. The written notice of allocation may be either qualified written notice of allocation or non-qualified written notice of allocation within the meaning of Section 1388 of the Internal Revenue Code. In the case of a qualified written notice of allocation, the Cooperative shall pay at least twenty percent (20%) of each Participating Patron's patronage dividend allocation to such Participating Patron. There shall be endorsed on each check made by the Cooperative for such payment, a statement that the endorsement and cashing of the check constitutes consent of the payee to include in the Participating Patron's gross income, as provided under law, the stated dollar amount of the written notice of allocation, which is a part of the Participating Patron's allocation, of which the check is also a part. All patronage distributions, whether qualified or non-qualified, shall be subject to the Cooperative's rights of set-off and recoupment against such Patron's obligations to the Cooperative and are subject to the lien and security interest in favor of the Cooperative as provided in Article IX of the Articles of Incorporation of the Cooperative.

Section 12. Consent. Membership in, or patronage of, the Cooperative constitutes consent of such member or Participating Patron, to include in such member's or Participating Patron's gross income the stated dollar amount of each written notice of allocation which such member or Participating Patron receives from the Cooperative with respect to a patronage dividend received of it as a Participating Patron of the Cooperative. No person, association or legal entity shall have

any authority to accept a patronage dividend allocation from the Cooperative on any terms that are inconsistent with this Article.

Section 13. Unification Equalization Distribution. Upon the effective date of the unification of North Central Farmers Elevator (NCFE) and the Cooperative, the Board of Directors shall have the authority to make distributions to certain former-patrons of NCFE for the purpose of compensating such persons if and to the extent that their patronage during the 2018 fiscal year with NCFE prior to the unification is not taken into account for the computation of the Cooperative's 2018 fiscal year patronage allocation pursuant to the preceding paragraphs of this Article V. The amount and form of the distribution, if any, shall be determined in the sole discretion of the Board of Directors and shall be designed to be reflective of the amount of patronage dividend allocation that would have been made with respect to the pre-unification business done with NCFE by a recipient patron, taking into account the timing and nature of the distribution under this Section 13 and the timing and form of the patronage dividend allocation made with respect to the 2018 fiscal year. This payment is separate and apart from the patronage dividend allocations made in the preceding sections of this Article V and shall not impact those patronage dividend allocations. To the extent this Section conflicts or is inconsistent with any other Section of this Article V, this Section shall govern. This Section shall be repealed and stricken from these Bylaws on the day following the 2019 fiscal year annual meeting of the members.

ARTICLE VI **Equity Credits**

Section 1. Operation. No dividend, interest, or any other income shall be declared or paid on account of any equity credits.

Section 2. No Vote. Equity credits shall not entitle the record holder to any vote in any business or affairs of the Cooperative.

Section 3. Assignment or Transfer. Equity credits are not assignable or transferable without the Cooperative's written consent. Such consent by the Cooperative for the assignment or transfer of equity credits shall only be made on the books and records of the Cooperative (i) at the request of the record holder, (ii) pursuant to written policy of the Board of Directors, and (iii) as approved by the Board of Directors. To the extent the Cooperative has any obligation to make a payment to the record holder, as and when due and after giving effect to all rights and remedies afforded by the Cooperative, the Cooperative's sole obligation shall be to the record holder and not to any purported assignee or transferee. In all cases, the Cooperative's obligations, if any, on such equity credits shall be discharged upon payment to the record holder.

Section 4. Conversion. The Board of Directors may convert the whole or any part of any or all revolving capital equity credits into reserve capital equity credits in the principal amount of such equity credits which are so converted.

Section 5. Redemption. All equity credits may be paid or redeemed in whole or in part at such time, in such manner and in such order as shall be determined by the Board of Directors and the

payment thereof whether arising as the result of a Patronage Transaction or otherwise shall be payable subject to the discretion of the Board of Directors.

Section 6. Retirement. If and when the sum of the balance in the revolving capital and the reserve capital shall exceed the amount of capital reasonably needed by the Cooperative, as determined by the Board of Directors, the Cooperative shall apply such excess to the retirement, in full or pro rata, of any or all equity credits as the Board of Directors may select and designate. Whenever the Cooperative shall have received a patronage allocation from any other cooperative association in the form of cash, refund, credit, or securities, then the Board of Directors may apply all or part of such patronage allocation to the retirement, in full or pro rata, of any or all such equity credits as said Board of Directors may designate. Equity credits may be retired, as required above or (i) as authorized by the Board of Directors and (ii) upon payment or tender to the record holder of said equity credits of the book value of said equity credits. If a corporation, limited liability company, cooperative, colony, church, partnership, trust, or other type of legal entity is the record holder of equity credits and such entity has dissolved or terminated, such entity's equity credits shall not be eligible for retirement due to the dissolution or termination of such entity, however, the equity credits of such entity shall be eligible to be transferred to such entity's respective shareholders, owners, members, partners, grantors or other applicable individuals, as determined by the Board of Directors in its sole and absolute discretion.

Section 7. Setoff and Recoupment. All rights of a record holder of equity credits shall be subject to Article IX of the Articles of Incorporation of the Cooperative against such record holder's obligations. In the event of a redemption or retirement of equity credits and to the extent any outstanding obligations of a record holder are due and payable to the Cooperative, the Cooperative shall not have the obligation to redeem or retire such equity credits of such record holder and no such record holder shall be entitled to compel the payment of such equity credits.

ARTICLE VII **Reserve Capital**

The Cooperative shall establish and maintain reserve capital for any necessary purpose which the Cooperative may charge any losses and other costs against, and which properly could be charged against the surplus of a for-profit business.

ARTICLE VIII **Revolving Capital**

The Cooperative shall establish and maintain revolving capital for the purpose of acquiring and maintaining non-stock capital and to supplement its reserve capital, adequate to finance its business and affairs.

ARTICLE IX **Dissolution, Disposition and Reorganization**

Section 1. Dissolution. In the event of a vote of the members that involves or is related to the dissolution of the Cooperative, pursuant to SDCL §47-18-11, such vote shall only be approved

Section 2. Disposition of Assets. In the event of a vote of the members that involves or is related to the disposition of all or substantially all of the Cooperative's fixed assets, pursuant to SDCL §47-18-9, such vote shall only be approved and made effective with the affirmative vote of at least seventy-five percent (75%) of a quorum of at least fifty percent (50%) of the then total membership of the Cooperative plus one. This Section shall not apply to consolidations or mergers pursuant to SDCL §47-18.

Section 3. Acquisition, Consolidation, Division or Merger.

In the event of a vote of the members that involves or is related to an acquisition, consolidation, division, merger or hostile takeover with respect to the Cooperative, unless such transaction has been approved by way of resolution of the Board of Directors, the assignment or transfer of all, substantially all, or a majority of all of the fixed assets of the Cooperative may not be completed and will not be effective until (i) the assignment or transfer of said assets is approved by at least seventy-five percent (75%) of a quorum of at least fifty percent (50%) of the then total membership of the Cooperative plus one and (ii) the person, association or legal entity shall acknowledge and agree, in writing, as consideration for the consummation of said transaction, to retain each of the Cooperative's full-time employees for a minimum of two years from the date of the closing at the salary and benefits equal to that earned by said employees during the previous fiscal year of the Cooperative or greater or in the event a full-time employee of the Cooperative is not retained or elects not to be retained as described above, compensate such employee by paying a sum equal to two-times the previous fiscal year's gross salary paid to said employee.

ARTICLE X
